

# Helping Children with Unclear Speech

Free Parent Workshop for families in  
Bedfordshire and Luton

Is your child talking and using sentences, but their words are not pronounced clearly? Do they mix up their letter sounds e.g. cat is “tat” or fish is “bish”? Do they miss off letter sounds? Are they difficult to understand?

In this workshop you will find out about speech sound development and how we make sounds. Learn strategies and games to help you support your child’s speech sounds.

Booking essential: View available dates at [www.childspeechbedfordshire.nhs.uk/training](http://www.childspeechbedfordshire.nhs.uk/training) then email: [ccs.beds.childrens.slt.training@nhs.net](mailto:ccs.beds.childrens.slt.training@nhs.net) to book your place.
