

Autumn  
Songbook

**Autumn song (to the tune of London bridge is falling down)**

All the leaves are falling down  
Falling down, falling down  
All the leaves are falling down  
Now it's autumn

Spinning spinning round and round  
Round and round, round and round  
Spinning spinning round and round  
Now it's autumn

Softly floating not a sound  
Not a sound, not a sound  
Softly floating not a sound  
Now it's autumn

See them lying on the ground  
On the ground, on the ground  
See them lying on the ground  
Now it's autumn

(fast) Now they're blowing all around  
All around, all around  
Now they're blowing all around  
We like autumn

Faster faster all around  
All around, all around  
Faster faster all around  
We like autumn

(words Anne Butler, music Traditional)

Cauliflowers fluffy and cabbages green

The road beans are sleeping in their blankety bed

## Dingle Dangle Scarecrow

When all the cows were sleeping and the sun had gone to bed,  
Up jumped the scarecrow and this is what he said.....

“I’m a dingle dangle scarecrow with a floppy floppy hat,  
I can shake my hands like this and shake my feet like that.”

When all the hens were roosting and the doves up in the loft  
Up jumped the scarecrow and whispered very soft.....

“I’m a dingle dangle scarecrow with a floppy floppy hat,  
I can shake my hands like this and shake my feet like that.”

When the dogs were in the kennel and the moon behind the clouds Up  
jumped the scarecrow and shouted very loud....

“I’m a dingle dangle scarecrow with a floppy floppy hat,  
I can shake my hands like this and shake my feet like that.”

## Five little leaves

Five little leaves so bright and gay  
Were dancing around on a tree one day.  
The wind came blowing thorough the town  
Whooo - And one little leaf came tumbling down.

Four little leaves so bright and gay  
Were dancing around on a tree one day.  
The wind came blowing thorough the town  
Whooo - And one little leaf came tumbling down.

Three little leaves so bright and gay  
Were dancing around on a tree one day.  
The wind came blowing thorough the town

# When Goldilocks went to the House of the Bears

When Goldilocks went to the house of the bears

Oh what did her two eyes see?

A bowl that was huge, a bowl that was small, a bowl that was tiny and that was all

She counted them: one, two, three

When Goldilocks went to the house of the bears

Oh what did her two eyes see?

A chair that was huge, a chair that was small, a chair that was tiny and that was all

She counted them: one, two, three

When Goldilocks went to the house of the bears

Oh what did her two eyes see?

A bed that was huge, a bed that was small, a bed that was tiny and that was all

She counted them: one, two, three

When Goldilocks ran from the house of the bears

Oh what did her two eyes see?

A bear that was huge, a bear that was small, a bear that was tiny and that was all

They growled at her: grrr, grrr, grrr!
