Peter Pan & Cherry Trees Nursery Schools

Dear Parents

It is hard to believe that we have reached the end of another school year; and what a year it has been!

I would just like to take this final opportunity to thank you once again for all your support and co-operation through a really difficult year for everyone. I hope that September brings us a little bit of normality back and we can get back to inviting you in for our festivals and events; we have missed you all this year.

I am so proud of the way the children have all coped with the challenges they have faced with bubbles being closed at short notice and some being moved from their normal rooms. They are a credit to you all.

Sadly we say farewell to those children who are moving on to primary school. Good luck to you all, take everything you have learnt with us and be amazing!

I would also like to thank the staff team for their hard work and dedication throughout this year. We say goodbye and send our best wishes to some members of staff who are leaving the federation, Amy from Peter Pan, Khoyrun from Cherry Trees and Paul our site agent.

I also want to let you know that our teachers will be swapping schools in September. Victoria Rempel and Tracy Fardell will be based at Peter Pan and Victoria Eve will be at Cherry Trees.

Finally, I wish you all a very happy summer holiday. Please enjoy the time with your families and we look forward to seeing those of you who are coming back in September.

Julie Smith
Executive Head Teacher

Our learning this term

The children have been intrigued with the learning this term around life cycles and the environment. We have grown our own vegetables, sunflowers and beans and watched closely as our caterpillars transformed into beautiful butterflies, releasing them once they were ready.

We have been litter picking the gardens to make sure that our environment stays safe and inviting for the wildlife. We have been talking about how to look after our planet and save energy; so you may find yourself being told to recycle, turn the lights off and not waste water!

It has been a joy to see how much the children already know and want to change their habits to look after the planet.

TERM DATES

CHILDREN RETURN:	8th September 2021
